Unless notified, at its maturity date, your time deposit will automatically renew for the same term at our current interest rate. You will have a grace period of 10 calendar days after the maturity date to withdraw funds without penalty.

Interest

The interest rate, annual percentage yield and maturity date applicable to such time deposit are set forth on the Certificate of Deposit and Truth in Savings Disclosures. You will be paid the rate indicated until the maturity date of the time deposit. The annual percentage yield shown on the Truth in Savings assumes interest remains on deposit until maturity and a withdrawal will reduce earnings. We use the daily balance method to calculate interest on your time deposit. Interest begins to accrue on the business day you deposit non-cash items (checks).
